What is A.B.A.T.E. of Minnesota Inc.?

American Bikers for Awareness Training and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to Minnesota's motorcyclists. A.B.A.T.E. members ride many different types and brands of motorcycles. We have a common activity—a passion for riding. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

A.B.A.T.E. of Minnesota's mission:

- To act as a watch-dog group in protecting the rights of Minnesota's motorcyclists.
- To encourage and promote favorable legislation for motorcyclists.
- To promote safe and responsible riding.
- To keep members informed about political, safety and legislative issues pertinent to motorcyclists through our newsletter, media and meetings.

A.B.A.T.E. has many types of members. Some of our members enjoy being very active within their local chapters or at a state level. While other members join A.B.A.T.E. for its social functions and events, others folks have joined to keep informed about issues (through our monthly publication "Road Noise" and special alert mailings) that would affect our current freedoms that we have while riding in Minnesota. No matter what your level of interest is, we're sure that you will find A.B.A.T.E. both informative and interesting.

A.B.A.T.E chapters are located throughout Minnesota. Membership is open to anyone interested in promoting freedom of choice, whether or not you ride a motorcycle. The wishes of the members are carried out by their elected Board of Directors and their local chapters.
