Candidate Questions

1. A.B.A.T.E. of Minnesota believes adults should have the choice to wear or not wear a helmet while riding a motorcycle, which is the current Minnesota law. Do you support adult motorcyclists who are properly licensed and endorsed to choose their riding gear?
2. A.B.A.T.E. of Minnesota believes motorcycles are a viable part of the transportation mix. Increasingly, motorcyclists feel singled out by law enforcement because of their appearance, apparel, or because they are simply riding a motorcycle. Will you support legislation that would require additional training for law enforcement to limit the practice of profiling motorcyclists?
3. A.B.A.T.E. of Minnesota believes in fair taxation. Motorcyclists who transfer a title for a motorcycle which is ten years old or older and valued at less than \$3,000, or have a motorcycle that is 20 years old or older who ask for a "Classic" specialty plate, pay a much higher rate of sales tax than an automobile meeting those criteria. A.B.A.T.E. of Minnesota feels this is wrong and has introduced legislation to have motorcycles on an even scale with automobiles. Motorcycles cause almost zero damage to our roads and should not be taxed at a higher rate than cars and trucks. Will you support this type of legislation?
4. A.B.A.T.E. of Minnesota believes in keeping our current insurance laws. Each year there are proposed bills that would require all Minnesota motorcyclists to carry uninsured and under insured insurance. This is opposed by a broad coalition of Minnesota motorcyclists. There are many insurance options in addition to the liability requirements that may be of benefit to a motorcycle rider, but these policy additions should be the motorcyclist's option. Most riders already have uninsured and under insured insurance but the extra cost of this insurance could make motorcycle riding too expensive for some, especially younger riders. Additionally, the passage of any legislation may have unintended consequences. Riders who face large increases in motorcycle insurance may choose to not purchase insurance at all. Are you in favor of keeping the current insurance laws in place?
5. A.B.A.T.E. of Minnesota opposes vehicle sales mandates. Some states, including Minnesota, are attempting to mandate a high percentage of new vehicles sold must be plug in electric or electric hybrid. Not knowing how these mandates would affect the sale of new motorcycles, this is a great concern to the motorcycling public. Motorcyclists oppose mandates that remove choice concerning make, model, style, fuel type, or other options of new vehicles considered for purchase. Are you in favor of stopping these mandates?
6. The current equal access statute (Minnesota Statue 604.12, Subd. 3) limits attorney fees to \$500 and caps punitive damages at \$500 in civil actions for violations of access to public accommodations. Removing these caps would ensure that individuals who are wrongfully denied access can afford adequate legal representation and receive fair compensation. This would also allow more equitable access to justice and ensure that punitive damages serve as a meaningful deterrent against violation. Do you support removing these caps?
