Dear Fellow Motorcyclists:

American Bikers for Awareness, Training, and Education (A.B.A.T.E.) of Minnesota is a not for profit, grass roots organization that is committed to educating motorcyclists and the general public about motorcycling. A.B.A.T.E. members ride many different types and brands of motorcycles. We are all people with a common interest in a common activity. The fact that we share an interest in motorcycling is more important than the type of motorcycle we ride.

There are chapters of A.B.A.T.E. located throughout Minnesota. Each of these chapters is represented on the A.B.A.T.E. Board of Directors (B.O.D.). The B.O.D. also includes the A.B.A.T.E. state officers. The B.O.D. meets once each quarter to discuss the operation of the organization. In addition, each chapter holds a monthly meeting in their area of the state. A.B.A.T.E. is a member driven organization. Members are encouraged to participate in any of these meetings.

A.B.A.T.E. seeks to promote the positive aspects of motorcycling and strives to protect the rights of motorcyclists by

being involved in the local, state and national political process. Safer motorcycling, reducing accidents and fatalities can be best accomplished by education and training of both the motorcyclists and the general public, not necessarily through additional legislation.

Our ability to enjoy many freedoms while riding motorcycles in Minnesota is the direct result of the work done by motorcyclists in our state. These people have joined together to fight for our rights and freedoms.

The efforts of these people have made Minnesota a leader in motorcycle safety. We have one of the toughest licensing standards in the nation, the best public awareness programs, and the most comprehensive rider education programs in the nation. These efforts have helped reduce motorcycle accidents, injuries, and fatalities in spite of the growing number of licensed motorcyclists in Minnesota.

To continue these efforts we need your support and participation. Show your commitment to protecting and preserving

your rights as a motorcyclist in Minnesota. Participate in the meetings, rides, and the fundraising activities. You will be informed about the motorcycle activities in the state by receiving Road Noise, the A.B.A.T.E. monthly news publication. A.B.A.T.E. is fun, educational and a great way to meet people and make new friends with similar interests.

With your help, we can continue to promote the positive image of motorcyclists. If you want more information about A.B.A.T.E., please attend any of our meetings, meet other members, and ask questions.

We are pleased that you have decided your rights are worth protecting, that the positive aspects of motorcycling are worth promoting, that education is important, and that the cost of an A.B.A.T.E. membership is a small price to pay to preserve and promote these principles.

Members are the most important thing that A.B.A.T.E. has, so Thank You for becoming a member and we look forward to seeing you at our events.

STATECOORDINATOR@ABATEMN.ORG

Happy New Year!

January brings:

- BIKERDAY
- BOARD OF DIRECTORS MEETING
- A.B.A.T.E. OFFICER ELECTIONS

What are your plans for 2025? Is this the year that we will grow our membership by leaps and bounds?

Do you know how many committees we have, and what they accomplish throughout the year?

Have you participated in your chapter meetings, or any state committees?

Is this your year to discover something new? Will you participate in A.B.A.T.E. of MN and discover everything we can accomplish when we work together? We're looking for people. Help is needed at every level of A.B.A.T.E. of Minnesota.

Just remember, we are a Motorcycle Rights Organization. Our primary goal is to protect our freedom of the road.

How much do you know about our legislative process? Can you track a bill? Do you communicate with your legislator? Do you know what committee your legislator sits on? These are very important things that we should all know.

Let's make 2025 a year to remember. It's time to get involved!

See you at Bikerday and the January B.O.D.!

Jane

ASSISTANT STATE COORDINATOR

JIM ORN

(320) 250-4000

ASSTCOORDINATOR@ABATEMN.ORG

I hope everyone had a very merry Christmas and a happy New Year's, and I hope 2024 was good to you, but if not, I hope 2025 will be better.

Once again, it's January and time for nominations in your chapter and on a state level. If you've never ran for an office, like I always say, give it a try.

I know in our chapter, it sounds like we're going to have a few changes in officers. The officers that are stepping down and have done a great job have their plate full with other duties in the organization. It's always nice to have members step up and fill in when needed and it's always great to have a few new faces and a new way of looking at things. Even at my age, change is good. And don't forget, if you would like to step up on a state level, now is the time to run for election.

And even if there is somebody in that position, it's an election, and it's always fun to have a little competition.

And let's not forget we just got done with an election, and have you sent your representative a congratulations? Maybe let them know you'll see them at Bikerday? It never hurts to drop them a line.

Till next time,

Jim

Letter to the Editor:

Reading about the passing of Carl Eide brought back a wave of early motorcycling memories. My junior high school was within easy walking distance of several cool motorcycle and snowmobile shops. There was Elmer Olson’s snowmobile and boat dealership. Neat stuff, but not my thing. The legendary Sport Wheels owned by Denny Kannenberg was just down the road. He had all the exotic European moto-cross bikes in stock. Race ready right off the showroom floor.

While only 13 years old, I had been riding off road since I got my first mini-bike. My friends and I were dreaming of the day we were old enough to ride on the street. And right across the highway from our school was an honest to goodness motorcycle sales and service business run by bikers called Eide’s. It was at 36th and Woodale, but driving by today it would be hard to imagine that this area once had a motorcycle shop that had old bikes, newer bikes, full-on drag racing bikes, and even Harley Davidson snowmobiles. My friends and I would hustle over there after school and just walk around looking at all the bikes and tell each other what we were going to do once we could buy a street motorcycle (the money would come from

somewhere right?). Carl never kicked us out, maybe he saw we had the motorcycle bug. If we didn’t get in the way, he did not care and would answer all our stupid questions. I asked my older brother, who has had multiple bikes over the years his thoughts: “They really knew how to work on Harleys and always willing to help”.

Carl was also an early advocate of what we now call motorcycle rights. In the mid-1970s, Minnesota was ready to pass “No-Fault” insurance. This proposal was touted to save car drivers money by negating the need for legal fights. But including motorcyclists in this scheme would raise the price of motorcycle insurance by triple digits. Carl was an early activist. I recall walking into Eide’s shop to a great big easel with the words “One Dollar per CC -Tell Your Legislators No!” Carl and his friends had estimated the cost of motorcycle no-fault insurance to be \$1 per cc. For a Harley rider \$1200 per year was huge back then.

Today we are facing the constant introduction of motorcycle insurance bills that will lead us down the path of what Carl warned us about: no fault insurance laws for motorcyclists. As they say, the past is prologue.

I am fortunate to have known so many quality people in my youth, my adulthood, and now when I am older. Hope we all carry on the motorcycling freedoms that Carl and others instilled in me.

Hope to see you at Bikerday 2025 January 30th in St Paul.

Mack

WRITE TO RIDE

FRANK ERNST
(601) 801-2920

We will be starting the new Minnesota legislative session on January 14th, 2025. Have you reached out to your re-elected or newly elected Minnesota House of Representatives member. Have you introduced yourself, congratulated them on their victory and thanked them for being willing to serve. Now is the time to start building a positive relationship. You will have another chance to communicate with your Representatives and Senators at Bikerday at the Capitol, will you be

there?

As you are aware any Minnesota Legislative bills that were not successfully passed last year are no longer in play. Anything we wish to get done will need to be reintroduced from this point forwards. At this time, we do not know what will be introduced, favorable or not so we need to keep a close eye on everything that goes on. If you hear of something we should know about please take a minute and verify that what you heard is true and if it is please pass it on.

That’s all for now but be ready to write when things start happening. Thanks for all you do.

Think rider safety.

Happy New Year!

This month, I wanted to reflect on our acronym, A.B.A.T.E., as it is used for A.B.A.T.E. of Minnesota.

State Coordinators Comments

(A portion of meeting notes from the first State meeting of A.B.A.T.E. of MN held at the Kandyohi Entertainment Center in Willmar on March 5, 1988)
Written by Rick Lewis:

"There are many meanings to the acronym A.B.A.T.E., the board chose from these three possibilities:

1. A Brotherhood Against Totalitarian Enactments
2. American Bikers Aimed Toward Education
3. American Bikers for Awareness Training & Education

Although #1 was the original meaning, and we believe it can still be used when talking to other motorcyclists, those of us who have to deal with the public and elected officials believe meaning #3 to be a lot easier to sell. The board has decided to let members use the name they prefer but official use will be the new meaning, #3."

A little extra note I would like to add from this first State meeting, from the same notes and author:

"The ratified bylaws provide for officer nominations to be made in January and elections at March meetings. This means that all chapters should have elections for officers to serve from that election date to March of next year."

That being said, I encourage everyone to consider running for an officer position. You may be new to it, but there is always someone willing to help guide you, and you will learn so much on the hows and whys. Good luck to everyone who is nominated!!!

And let's all have a safe, productive, fulfilling and Happy New Year!

— Gaida Gator Trout

It's been pretty quiet in the Office..... Remember, if you want to vote by absentee ballot please E-MAIL the State Office before February 10th to request it. Your name and chapter is needed, you can not ask for someone else. After you get your ballot, please send back to the STATE OFFICE not your Chapter ASAP. If you request a ballot, please use it. February, TBD

Dial-A-Ride is going to be working on some educational items such as proper tie down motorcycles on trailers.

Marijuana has been legalized, DAR will be watching laws surrounding use while Driving or Riding your motorcycle, the risks involved in safe operation of your vehicle on our streets and highways.

DAR also wants to be sure our state is well covered for safe pick-ups, we have 4 trailers that need a home, and ready to be used. Our mission this winter is to visit all chapters and establish one person from each chapter that will be a part of Dial-A-Ride, responsible for reporting what your chapter has done for interventions and materials distributed in your area, on a monthly basis.

It is a brand-new Year, wishing you all a very prosperous year, here is hoping we can stick to those New Years resolutions.

Do not forget Bikerday at the capital on January 30th.

HAPPY NEW YEAR!

MOTORCYCLE SAFETY TASK FORCE

Next Meeting(s)

January 16th, via Microsoft Teams,
5:00-7:00 pm

The last task force meeting was held on November 21st at Saint Paul College. A discussion was had about the lack of minutes being taken at the last meeting, which resulted in a member volunteering to take the minutes for the current meeting. We were also informed by the head of the task force that the duty might be returning to our Public Information Officer (PIO). He was out traveling during the meeting and was not present that evening. I truly hope this issue gets resolved, but we will wait to see what happens at the January meeting. From there we went right into a discussion about the lane splitting public service awareness (PSA) campaign. As of that time we were informed it was sitting in the Department of Public Safety (DPS) Attorney's Office to determine the legality of what they can educate the public on regarding lane splitting. Therefore, the content of a PSA campaign has not yet been established. A member who is also a rider coach brought up the thought of the task force giving input about lane splitting content for rider training courses in the state. A sub-committee was formed to bring ideas back to the task force for review.

Next we had a brief overview of the 2024 rider training program statistics. The director of the college program wasn't in attendance, but he had emailed the information out to the members prior to the meeting. I would expect we will get an overview at the next meeting. One statistic caught my eye. The overall participation numbers of the under 18 demographic has spiked in the last two years. Perhaps there is a correlation between that and the fact that the Young Riders Scholarship program started two years ago?

Food for thought. Another piece of information that isn't new is that there is a serious shortage of rider coaches. There is more demand for rider training than there are coaches to train these courses. If you are interested or just curious about being a rider coach, please contact me and I will give you all the information I have.

For those have you that might have noticed, there was a motorcycle simulator in the products building at the State Rally this year. It is owned by the Motorcycle Safety Center and it was also at A.B.A.T.E. University some years back. The head of the task force is interested in purchasing an updated model. A motion was made at the September meeting. During the discussion, a member was concerned about the blanket motion essentially approving the head of the task force to move ahead without an expenditure proposal. That motion was then rescinded and a new motion was made and passed for the head of the task force to bring back to the members a proposal with quotes and funding sources. Fast-forward to the current meeting. Jay asked for another motion to move forward with approval without bringing back a proposal. Another motion was passed that was essentially the same, for him to bring back a proposal to the task force members. I'm not entirely sure what this was about. Perhaps because there were no minutes or record of the September meeting?

Lastly, we discussed the update to the Motorcycle Safety Center (DPS) website. The PIO had emailed a link to the new website prior to the meeting for review. A member had noticed some link problems that were communicated, then subsequently fixed. More opinions were shared and that was wrapped up.

I can share more in the next issue, but that is all I've got for this month. Make your own choices and keep your head on a swivel.

The new year is here! The memberships are still going down. December 2nd numbers show -7 from last month. We have 1,195 singles and 1,150 couples. I just do not know what else we can do to get them up. Time for someone else to figure it out. After the January B.O.D. I will no longer be the Membership and Retention chair.

So, you will have to contact the new chair for trifolds and tear-offs.

But, please, please, please contact the State Office about any questions about your membership or to renew. We have helped all the Chapters with the tools to renew expired memberships and to gather new ones, let us start using them and not just think it will fix itself.

Next Meeting(s):

January, TBD

Hello fellow freedom fighters, I have some exciting news to share. The Young Riders Scholarship program for the 2025 rider training season is off and running. Friday, December 6th was the day that colleges across the state posted their rider training course schedules, and I registered our first scholarship recipient that same morning. If you know of a person under 21 years of age that wants to take a course this year, please encourage them to take advantage of the scholarship program. The sooner they apply, the better. Last year we had \$25,500 to work with, and we used that up by mid-April. We currently have approximately \$23,000 to work with for 2025. Keep in mind there may be more funds added to this, but it is better to apply early. As I write this report in early December, not all of the colleges have posted schedules yet. If the location desired does not have courses available yet, keep checking.

If your chapter wants to contract a course for 2025, now would be a suitable time to reach out to the college you want to take the course at. As usual, rider coaches are limited, and it takes time for the colleges to find two coaches to commit to a contracted course. On that same note, consider using district rider training funds.

I have already submitted a budget proposal to our State Treasurer for 2025 that includes the same amount as last year. Pending budget approval, there will be \$600 budgeted for each district to decide how to spend on rider training. If you are interested, you should be having a conversation with your District Director. As long as the budget remains the same, there will only be one change to the process this year. When submitting a receipt to the Education Chair (currently me), you will also need to submit either district meeting minutes or chapter meeting minutes documenting passage of a motion that the rider training course be funded with District Rider Training funds. This is simply a safeguard so that the Education Chair does not sign off on an expenditure without a paper trail.

As some of you already know, Darryl Holman is moving on from his A.B.A.T.E. of Minnesota duties along with some other ones to enjoy his retirement. I would like to take a moment to personally thank him for all he has done with our Share the Road program and everything else he has done for our organization. Thank you, Darryl.

That is all I have for this month, catch you on the flip side!

"An education isn't how much you have committed to memory, or even how much you know. It's being able to differentiate between what you know and what you don't."

A.B.A.T.E. of Minnesota Legislative Team Report

This is the last Legislative Team report in Road Noise before the January 30th, 2025, Bikerday at the Capitol. If you have not registered to attend Bikerday yet please do so now.

Simply click on the QR code provided in this issue (see code right) or go to >abatemn.org, >Legislation drop down, >2025 Bikerday at the Capitol, >Bikerday registration.

We need people to be there, we need to show legislators we care about motorcycle issues. Please invite friends, family, children, neighbors, anyone that cares about our issues and the governments influence on our issues and lifestyle. If you have a connection with other groups that A.B.A.T.E. has not reached, please inform and invite them to Bikerday. This is not only a day to get a lot of work done, it is also an enjoyable social event, getting together with likeminded people from across Minnesota.

Let's fill the Rotunda. Make plans to attend, register, show up and if you are registered and something unexpected comes up and you can't get there, please contact us we will cover for you.

The Legislative Team will be working on topics of focus and preparing talking points for the upcoming Bikerday and Legislative session. Some of the things I have heard people are concerned with include. No change to motorcycle helmet law, Equitable Sales Tax on older motorcycles. Restrict the amount of alcohol allowed or required in fuel and prominently disclose/display the amount contained. Address legislation to protect motorcyclists from being profiled and targeted by law enforcement. Revisit 604.12 = access, recovery so victims will be compensated for reasonable attorney fees and of course "Right to Repair" These are just

a few of the topics I have heard people talk about, are there others? If you have topics that you feel should be addressed, please send your concerns to the Legislative Team at Legislative@abatemn.org. We will report more on this at the January Board of Directors meeting.

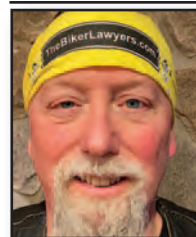

In 2024 Tri-County chapter introduced a new traveling award for participation at Bikerday. Awards were presented for "Member who traveled greatest distance from home" and chapter with "Greatest % of members registered and in attendance". These awards will be continued this year, can you or your chapter be the recipients?

Thanks for all you do, see you at Bikerday!

What will you do to improve your riding skills in 2025?

Happy New Year!

This month is packed with things to keep you busy during the colder weather ahead, check out the Calendar of Events for places and times.

The Road Noise Committee needs to update the reminder list for the articles in the Road Noise, there are many people that no longer write the reports. So, we would like each chapter's grapevine and report writer's names and emails. If there is more than one in a committee that writes or submits reports and pictures regularly add them and please send them to roadnoise@abatemn.org in subject line refer to "Reminder list for articles".

Another year come and gone, We need to pray that 2025 is going to be the year we are hopeful for. I hope you all had a blessed Christmas and Happy New Year!

What a way to celebrate Christmas, feels like the US was given a gift.

Time to turn in Buddy Bear orders for 2025 at January B.O.D. if not already sent, I have already received several orders. Thank you all. My reminder I set up in Zoho for inventory reminders, I discovered was not working properly, redid the reminder so you should be receiving reminders on the 26th of each month. If you have zero bears you will still receive a reminder but, no need to respond once all of your bears are delivered and you have sent a report that says you have zero bears. Looking forward to seeing all of you at January B.O.D. in Crookston and Bikerday in the capitol.

Wishing you all a wonderful year.

Mark Passed away on Thanksgiving day. See the details:

Mark was at deer camp getting ready to make breakfast. As he was igniting the stove, the gases exploded, burning over 80% of his body. He was able to call 911, and was transported from the woods near Siren, WI to the ER in Duluth, which is not equipped with a burn unit. He was transported via ambulance to HCMC in Minneapolis. To tolerate this 3 hour ride, he was sedated and intubated. Mark is now at HCMC, where the burn center team is evaluating his injuries. As stated earlier, 80% of his body has at least 1st degree burns, with mostly deep 2nd degree burns and potentially some 3rd degree burns, as well. As you can imagine, Mark is in a terrible situation. Please keep him in your thoughts and prayers.

Winter is in full swing and feels like it will never end, but the end is in sight. You can help pass the time by helping your chapter succeed. Nothing we do is done without members stepping up and championing new ideas, events, and other activities that grow our organization. In just a few weeks we will be participating in our annual Bikerday at the Capitol on January 30th. If you have never attended, you're missing out and selling yourself short. If you have attended in the past, I hope to see you again. Know who your lawmakers are and where they stand on the issues that matter to you. Thank them for those areas they've helped us in and don't be afraid to ask for their support where it may be lacking. As always, whether it's your first time or your 19th, please bring a friend. I think Mack has said it best. "If you plan to show up, sign up. If you sign up, show up."

We are currently in our annual A.B.A.T.E. election process with many chapters already completing their first round of nominations. If you feel you have skills and talents that set you up to be a good candidate and an asset to your chapter, please throw your hat in the ring. Please remember, these roles are about responsibility and obligation. They are not about authority and privilege. Every officer from our Coordinator, down to the Chapter Sergeants are members just like you. They all took that plunge and the initiative to do something for their chapter or organization. Sometimes they succeed and we should thank them for their efforts. Observe what did and didn't work and build on it. Sometimes things don't work out as planned. We should still be thankful for the effort. This organization does not exist without members like you and I. Just keep working together and with a little luck and a lot of effort we will be able to enjoy these freedoms we work so hard to preserve. Thank you and ride safe.

Happy New Year All!

I hope everyone had a terrific holiday and Santa got you the new bike. It was good to see everyone that came out to the Christmas Party on December 7th and Thank You Bob and Toni for hosting. So long to

our snowbirds... see you in the spring.

The upcoming months are busy, folks. Coming very soon is the B.O.D. in Crookston. After that we have the Lake Chapter's Big Brothers Big Sisters Bowling for Kids at Huikkos Bowling Center on January 26th. Next, and MOST important comes Bikerday on the 30th, so make sure you get signed up before January 15th. Bikerday is truly what we're all here for folks. There's a lot of effort that goes into setting up these meetings with our law makers. Bring your kids or grandkids along to show them personally how our government works. We brought our 12 year old granddaughter last year and she still talks about it.

With winter upon us comes the warmth and fellowship of the fundraiser season. Lake chapter's Grounded Hogs party and East Centrals Heart-On are coming up in February and we would love to see you as usual. More to follow. Stay tuned.

Y'all have a safe and Happy New Year. Til next time.

Bikerday is quickly approaching and from what I understand, it will be a great time and an excellent learning experience. If you are bringing your kids or grandkids to Bikerday, check with the school to see if they will get a credit for going.

Not much has progressed for our St Paddy's day event. The band that Route 47 has for the event is Maiden Mpls. I hear this is the event to be at and it won't disappoint. We are still working on the time and other details.

We are looking ahead to the Donnie Smith Bike Show. We will be in our usual spot and will be more than ready to sign up new members for any chapter as well as renewals as we have done in previous years. Hopefully we won't have a snow storm.

We also have been tossing around ways to sign up new members. One idea that we are moving forward with is a bike night. As of right now the thought is to have it on our meeting night. We will be picking up discussion with the VFW shortly.

We still have calendars for sale. \$20 for one or buy 5 and get 1 free. Feel free to reach out to Nick, Jameson, myself or any Metro Chapter member.

Get Registered. If you register take the time to go. There are many new faces in the Capitol that we need to get to know. These folks work For Us. Schools in Minnesota consider this an excused absent day. Bring a young person. Much history in the Capitol. See You There!

State and chapter officer nominations start Now. Is this the year you want to step up and help the chapter out? You, the members are the wheels to this roller coaster. You, the members make this organization roll smoothly. It's been proven, the more workers the less work for all. Please consider it. We need to build our membership back up to protect Your Freedoms!

Welcome to the 2025 NEW YEAR!! We hope everyone had a wonderful Christmas and a joyous New Year's celebration! We are so looking forward to what this year has in store for our Chapter!

Starting out with a reminder that nominations will be starting at your January meeting. Please do consider stepping up to help lead our organization into the future.

Our **JANUARY THAW DANCE PARTY** is coming up fast... and we can't wait to live it up with a great bunch of people... like YOU!! We anticipate seeing many of our A.B.A.T.E. friends from the past fundraisers and are looking forward to a lot of new faces too! Watch for details on our Facebook page and in this month's Road Noise. It's ALWAYS a great time!!!!

Bikerday at the Capitol is scheduled for Thursday, January 30th. Bikerday is a very effective way to make our presence known and to get our voices heard. We

need your participation, so make sure you take that day off and plan to attend. You can register online at abatemn.org.

We are also looking forward to our **2nd SOCIAL GATHERING** in February!! It's a great time to come together and get to know each other better outside of our usual meetings and events. We welcome past, present, and future members! Details to come...

Thank you to those who participated in the Salvation Army Bell Ringing for our Chapter.

Don't forget to make reservations for A.B.A.T.E University! The date is April 25th - 27th at the Holiday Inn located in Alexandria... (320)763-6577.

At our November meeting we had a visit from a couple of the N Mankato Police Reserves Officers. We presented them with the money we raised from our River Valley Gives Back Ride. They also accepted 25 Buddy Bears!

To our new members, we welcome you and hope to see you at our monthly meetings and events. To those who renewed their memberships, thank you for your continued support.

FLATLANDERS

Next Meeting(s):

January 25th, What's Up Bar, Myrtle, 2:00 pm
February 22nd, Legion, Lyle, 2:00 pm

Hello from the Flatlanders and here's to a New Year!!

Here we are in January 2025, which is really kind of crazy when you think about it. We are still trying to figure out where 2024 went to. It seems as we get older, time just moves that much faster, so get as much done as you can, before you can't!! Hope everyone had an amazing holiday season. We hope that you were able to spend time with family, friends and those who mean the most to you. For those that were not physically with us, we hope you were able to take a few moments to remember them. For you see, they will always be with you, as long as you believe and remember them.

With the start of the New Year, comes nominations and elections for Chapter and State Officer positions. If you are interested in learning more about any one of them, ask the questions, reach out or just volunteer to be nominated. Sometimes trial by fire is the best way, and besides, there are plenty of individuals that would be willing to help you as well. New blood is always appreciated because it brings new ideas.

BIKERDAY at the Capitol is January 30th. PUT IT ON YOUR CALENDAR. Register to attend and then get on the bus. If you do register and are unable to attend, let someone in your Chapter or Mack, Jane or Frank know so someone can be at your appointment. This is a great opportunity to build those relationships with your representatives so they know that motorcycle rights are important to all of us. We really hope to see you all there!!

Last, but as always not least, \$100 raffle tickets are available for sale. Each ticket sold gives the selling Chapter money in their gambling account that can be spent to help others in need. Sell those tickets and spend the damn gambling money. You will never know the difference you can make in someone's life by handing them a check until you do it. There is no better feeling in the world than helping someone in need, so please spend the damn money.

On that note, our wish for you this coming year is: Health, Hope, Happiness and Love all the year through!

Peace Love and Hugs,

– Michele Legried
State Secretary, A.B.A.T.E. of Minnesota

Greetings from Southeast LC:

As you are reading this, the holidays have come and gone. Hopefully, everyone survived and had a great holiday. So far, Mother Nature has spared us crappy weather and snow. It's been nice enough down here where we were even able to get out and do a little riding. We don't know how much longer that will keep up, but we'll take what we can get.

In the last Road Noise, I had the date for our March party listed as March 9th, this is incorrect, and it should be March 8th from 4-8pm. This will be our fundraiser and membership drive. This is open to the public and with the later date, hopefully, we will avoid any weather-related issues and have a great public and membership turnout.

The hearts in our Chapter are heavy with the passing of one of chapter members. Mark had a horrific accident on the Sunday before Thanksgiving and as a result of his injuries, he succumbed to them on Thanksgiving day. Mark was an avid supporter of A.B.A.T.E. as well as the POW/MIA Riders, of which he was also a member. Mark will be remembered for his strong dedication to veterans and their needs. Mark will be deeply missed by all who knew him.

Don't forget that January 30th is Bikerday at the Capitol. Please remember to register and let's get that bus full. There will be a bus picking us up at the Wildwood Sport Bar and Grille at 6:00 am on the 30th to take us to the Capitol. There are a lot of new faces in the legislature this year, so we need to make our presence known to them.

Please make sure to attend the January and February meeting as nominations for officers will be taking place. We need your help to keep the Chapter going, as well as we love to hear your ideas and thoughts. There will be some very important decisions coming down the line and we need your support. See ya at the January meeting.

Happy New Year! Can you believe it's 2025? I hope you were able to have a blessed Christmas holiday with loved ones!

This year has gone by way too fast. So many things I wanted to do but wasn't able to. I'm FINALLY out of my walking boot, that was a LONG battle.

We had a district meeting in December and only 2 of the 7 chapters attended. We did vote on where our district education money was going as Jon F. asked the DD to do. We also talked about a few bands we want at the 2025 State Rally.

I hope to see and chat with the SW Chapters at the January B.O.D. in Crookston! Remember Bikerday at the State Capitol is coming up. Have you asked for the day off yet? It's a pretty important day for us! If you can't go, please contact your representatives by phone or email. If, or when they reply, send that to Frank to get your Write to Ride patch or rocker.

Until next time,

We had the best turnout ever at our annual Toys for Kids event, and the most donations ever received. Thank you so much to all those who attended and helped to donate.

A special shout out to Kristy & Bill LaPlante for organizing the event and delivering the donations to Meeker and McLeod counties. Also, a big thank you to Peggy & Porkchop Sundin and their grandson Wyatt for running the front table all night long. Also, thank you to Litchfield Eagles Club for always being a big South Central supporter for our events.

As I write this, we are getting ready for the Litchfield Candy Cane parade this week. I hope it's warm enough to decorate and start the trike! Our chapter walks or rides in this local parade to promote A.B.A.T.E. and Dial-A-Ride. "Santa" will be in the back of the truck with the trailer, thank you Dustin Suchy!

Our Christmas Potluck and chapter meeting will be Friday night January 10th at the Horseshoe Bar in Lake Lillian, festivities start at 6:00 pm. All are welcome!

Hope to see you at Bikerday on January 30th. If you have never been before, please consider it. I learn a lot every time I go and get to

Stay warm, be safe this holiday season.

BUFFALO RIDGE

Greetings Freedom Fighters!

The Buffalo Ridge Chapter was, again, honored to be asked to teach a session of Share the Road on Monday, November 4th, at the Marshall High School. We had 21 kids in attendance, and a "new to us" instructor who heard our program for the first time, for a total of 22. We will continue to offer our services to any program that asks. It sounds like most programs are going virtual, so our chapter has explored putting our content on a YouTube channel. Hopefully we will have more to report on that in future publications.

The Buffalo Ridge Chapter is still active, and we are www.abatemn.org

Greetings Members, I hope the holidays treated you all well. A new year is upon us all, may it be a great one for each of you. Jenny Toth graciously took over products for our chapter, thank you.

As I write this, we are vigorously working on our Toys for Kids program. It's looking to be another great year for donations. I will post more next month.

Elections are coming up in March, with nominations starting in January. We have a lot of talent in our chapter, so if you're interested in a position, step on up.

Stay well!

definitely disturbed by the declining numbers. When I take the overall population of the BRC area and figure how many are A.B.A.T.E. members, 7/100^{ths} of a percent are members. This sounds pretty dismal. However, with the overall State of MN having a membership rate of 4/100^{ths} of a percent, I don't feel so bad.

We want to thank SW DD Shelly for asking our chapter to host the district meeting on Sunday, December 8th. Thank you to Bitton's Road House for providing the meeting space. As of right now, we are unsure of our winter meeting times and dates. Please refer to our Facebook page for updates.

Hello biker family,

I can't believe I am writing an article for the start of a new year already. It seems I just started writing 2024 last week and here I am writing 2025. Time sure does seem to fly by.

Well, the Chili Feed has been scheduled for March 22nd, 5-8pm at the VFW in St. James. I will have advanced tickets at the January B.O.D., they will be \$10 each (\$13 at the door). We are looking forward to seeing you all there.

Tom will once again try to burn your taste buds if you are willing to try his new HOT chili. For those of us that want to keep our taste buds, we will have milder chilis as well as the loaded potato soup and all the fixings.

I hope we have a mild winter like last year, but I don't think that will happen again, so stay safe until we meet up again.
